ABOUT US

Queen of Drag stands as a beacon of celebration and support within the realm of female impersonation, showcasing a dazzling array of talent from across the nation. At its core, the Queen of Drag event is not just a competition; it's a vibrant showcase of artistry, resilience, and the rich tapestry of drag culture. Participants, hailing from diverse backgrounds, converge on this platform to express their creativity, share their stories, and compete for the coveted title. But beyond the sequins, the laughter, and the fierce performances lies a deeper purpose. This event serves as a powerful vehicle for fundraising, channeling its energies and resources towards a noble cause—supporting the Your Big Break non-profit organization.

WHAT MAKES US UNIQUE

The Queen of Drag competition is unique in that the queens will compete in two categories: Bring it to the Runway and Talent. With a cash prize of \$50,000, this competition boasts the biggest cash prize in the history of pageantry. The eleven queens will battle it out for the ultimate title of The Queen of Drag, and the top four finalists will each win a cash prize of \$5000.00. The final round of the competition will involve a Lip Sync Battle judged by the seven participants who didn't make it to the top four. The head judge will determine the winner of the competition.

ALL SPONSORSHIPS ARE TAX DEDUCTIBLE

Engaging in a partnership with Your Big Break, a 501(c)(3) non-profit organization, opens up a vista of opportunities not only for fostering community growth and support but also for benefiting from a financial perspective, particularly through tax deductions. This arrangement allows businesses and individuals alike to contribute to a cause that makes a significant impact while simultaneously providing a fiscal advantage. Sponsorships, in this context, are not merely donations but are investments in the social fabric, enabling programs, events, and initiatives that might otherwise lack the necessary funding to flourish.

The IRS recognizes contributions made to 501(c)(3) organizations as tax-deductible expenses. This means that when businesses or individuals sponsor Your Big Break, they can deduct the amount of their sponsorship from their taxable income, subject to the IRS's rules and limitations. This tax advantage is not only a boon for the sponsor's financial health but also encourages a culture of philanthropy and support within the business ecosystem. It is a testament to how societal support and financial prudence can go hand in hand, fostering a cycle of giving that benefits all parties involved.
